Please be prepared....

We strongly recommend that if you need any new uniform or sports kit for the first few days of term you should place your **order before the 31st July.**

Please consider that unexpected challenges may still affect the supply chain and ordering early allows us the opportunity to offer alternative solutions should these impact your order.

It is never too early to order...

Over the summer we will be **extending our returns deadline**; all orders placed **before the 31st July may be returned by 30th September**, as long as they are in perfect condition and have not been worn.

We recommend that you use the tools on our website to help you order the right sizes.

- **If you need our help;** select "I need help to size my order". Provide your child's measurements and we will recommend the most suitable sizes to last 12-18 months.
- **If you prefer to choose sizes yourself,** select "I know what sizes I need to order" and use the additional information provided in the individual size tabs below each garment.

Not keen on sewing? Embroidered name tapes are available to order throughout the year. To make life easier we can also sew them into all of the items that you order, taking another chore off the list. Subject to demand the sew-in service is available for orders placed before **14th August 2020**. Another good reason not to delay and order today!

Happy? Not happy? If you are pleased with our service or something goes wrong, **we want to be the first to hear**. If you have any questions or feedback please let us know as soon as you can. We are here to help, and you can reach us by email:
